"I Love Burnsville because . . ."

I love Burnsville for many reasons. It was hard to pick two! Let me share them with you.

My first reason is the parks. I love walking through them with my dogs. You can see lots of animals!

My second reason is the Library. I like to check out books. The best part about the Burnsville Library is you get to keep the books for two weeks!

As you can see I love Burnsville. It is a great city. I am so happy I live here.
