The fantastic schools in Burnsville are so cool beacause they have the best teachers and principals ever. The teachers teach you new things everday! Your friends make the school special and fun. The cool schools have amazing playgrounds. The wicked parks have slides, monkey bars, and swings they have fun water parks too. They are big and fun you can barbecue there also. The facinating restaurants have the yummiest food and some restaurants entertain you. You can spend time with your family too. I sure line Burnsville! it has wicked parks,
