INTRODUCTION TO BIRDWATCHING FOR RESIDENTS 62+

Part of I Love Burnsville Week on June 9

The early bird gets the worm!

During this early morning birding session, participants will learn about a variety of birds, and see and hear them as they busily pronounce their claim to their breeding territory. The adventure starts with a short introduction to birdwatching, followed by a "birdwalk" through the park.

Participants should expect to walk on gravel and wood chip trails, wear comfortable shoes and bring binoculars.
