**BURNSVILLE POLICE RECEIVE INFORMATION ON ATTEMPTED ABDUCTION,
NO THREAT TO PUBLIC**

On Saturday, Sept. 17, the Burnsville Police Department issued a notice regarding a report of an attempted abduction in the area of River Hills Drive and Clark Street in Burnsville.

Upon seeing the report in a local newspaper, the individual who identified himself as the subject in the report contacted the Burnsville Police Department. Upon further investigation, the department does not believe the individual had malicious intent when speaking with the boy, and that there is no ongoing risk to the public.

“Even though this specific incident turned out to be non-criminal in nature, the boy who reported the encounter absolutely did the right thing,” said Burnsville Police Chief Eric Gieseke. “Any time something seems strange or out of place, it should be reported. If you see something, say something.”

The department would also like to thank the multiple members of the public who came forward with tips and information regarding this incident.
