CITY OF BURNSVILLE TO HOST OPEN HOUSE ON ROADWAY SYSTEM ADA TRANSITION PLAN

To help ensure elements of its roadway system (including sidewalks, trails and signalized intersections) are accessible to all users, the City of Burnsville is developing an Americans with Disabilities Act (ADA) transition plan for its public roadways.

The draft plan includes an assessment of existing facilities, and identifies a process and schedule for bringing non-compliant elements of the system into compliance with ADA regulations.

To share information on the draft plan and to receive comments from interested parties, the City will hold a public open house:

What: City of Burnsville Roadway ADA Transition Plan Open House
When: Wednesday, Nov. 30 | 3:30 to 5 p.m.
Where: Burnsville City Hall, Council Chambers | 100 Civic Center Parkway
Who: Open to all members of the public

Questions about the ADA Transition Plan and upcoming open house can be directed to Burnsville Public Works Director Steve Albrecht at 952-895-4544 or steve.albrecht@burnsvillemn.gov.

The draft ADA transition plan will be available for review at the public meeting, and is also available at www.burnsville.org/ADA.
