Junior Golf Program

Birnamwood’s Junior Golf program provides everything a young golfer needs to get started and continue to build skills in the world of golf. This nine-week program is held on Wednesdays for youth entering grades 3-10 in fall 2017.

The Junior Golf Program begins on Wednesday, June 14 and runs through Aug. 2. A tournament on Aug. 9 rounds out the fun. The best part is no experience is needed.

The program starts with an “Introduction to Golf Clinic.” There, participants are taught the rules, safety and etiquette of the sport. They learn about golf swings, different clubs, water hazards and bunkers as they spend time at each of the nine holes on the course.
