### **About the Film**

"Just Eat It" is a 50-minute documentary about food waste and food rescue by Peg Leg Films in partnership with British Columbia's Knowledge Network.

Filmmakers and food lovers Jen and Grant dive into the issue of waste from farm, through retail, all the way to the back of their own fridge. After catching a glimpse of the billions of dollars of good food that is tossed each year in North America, they pledge to quit grocery shopping cold turkey and survive only on foods that would otherwise be thrown away.
