**OPEN HOUSE, SURVEY ON REQUESTED CHANGE TO START TIME  
FOR DAYTIME SPEED LIMIT ON CRYSTAL LAKE**

Currently, watercraft operators on Crystal Lake must observe the following daytime speeds:

Sunrise to 9 a.m.: 15 mph  
9 a.m. to Sunset: 40 mph

The City has received a public request for an earlier start time for the 40 mph speed limit, and is currently considering three options – leave the start time the same, start the 40 mph speed limit at sunrise, or start the 40 mph speed limit at 7 a.m.

The City is hosting an open house to gather feedback before implementing any changes to the current ordinance. Concerned citizens (Burnsville residents and non-residents) are invited to attend to learn more and provide feedback.

**When:** Thursday, Nov. 9 | 4 – 6 p.m.  
**Where:** Burnsville City Hall, 100 Civic Center Parkway

Those unable to attend the open house can submit feedback on this issue online at:

- <http://tinyurl.com/crystallakespeed>

This short survey will ask whether you wish to keep the speed limit the same, or move the 40 mph start time earlier. The survey will close at 4 p.m. on Friday, Nov. 17.
