BURNSVILLE POLICE SEEK TO IDENTIFY INDIVIDUAL INVOLVED IN SUSPICIOUS INCIDENTS

On Sunday, Feb. 18, the Burnsville Police Department received a report about a suspicious vehicle following a teenage girl. In the report, the girl stated she was walking her dog at approximately 2 p.m. in the 3300 block of Barbara Lane when a red Jeep appeared to begin following her. She stated she did not interact with the driver and was able to get to a neighbor's house. The vehicle then reportedly sped away as she went inside.

On Feb. 20, police received a second report of a man in a similarly-described vehicle. The report stated that on Feb. 18 around 1 p.m., a man tried to speak to two young children outside their home in the 14800 block of White Oak Drive. It also noted the man said things along the lines of "do you live nearby" and "come closer to the vehicle." The children stated that they ignored the man and he eventually drove away.

Burnsville Police are attempting to determine the identity of the individual(s) involved in these incidents. In both instances, the driver was described as being a white male in his 40s or 50s wearing glasses. The vehicle is believed to have been captured in a surveillance photo (below), and is described as being a 1999-2004 red Jeep Grand Cherokee Laredo. This is considered an open investigation.

Anyone with information is asked to call Burnsville Police Detective Andrea Newton at 952-895-4670.

1999-2004 red Jeep Grand Cherokee Laredo thought to be involved in suspicious incidents.
