HELP PLAN 2018 Burnsville Fire Muster Community Celebration

WE NEED YOUR HELP! Events don't just plan themselves!

Planning has begun for the 2018 Burnsville Fire Muster community celebration, which will be held Sept. 5 – 8. The Burnsville Fire Muster committee helps put together the event each year, celebrating our community with a fire truck parade, community parade, fireworks display, food, vendors/shopping, live music, a carnival and much more for everyone to enjoy.

We are looking for new committee members! There are many ways to get involved in the festival planning. We are looking for civic-minded citizens to help us with **Marketing, Publicity, Parade Planning, Beer Gardens, Kids Korner, Sign Strategies, Sponsorships and General Event Planning.**

Meetings are held the second (2nd) Thursday of every month at Burnsville City Hall, 100 Civic Center Parkway. Meetings begin at 7 p.m. and typically last around 90 minutes.

Be a member of the planning group; volunteer your time and energy to this fabulous festival! Please contact Tami Allen at burnsvilleparade@gmail.com for more information or to attend a meeting.
