BURNSVILLE DRINKING WATER QUALITY REPORT AVAILABLE ONLINE

Testing from 2017 Again Shows Burnsville Providing Clean, Safe Drinking Water

The City of Burnsville's annual Drinking Water Quality Report is now available online, and results from 2017 show the city continues to provide clean, safe drinking water from each of its water sources.

View the Report Online at www.burnsville.org/waterreport.

The City of Burnsville is committed to providing safe and quality drinking water to residents that meets or exceeds federal requirements. The report provides results of drinking water quality and safety monitored from Jan. 1 to Dec. 31, 2017. The information included will help residents learn more about the City's drinking water supply, and increase awareness of the need to protect Burnsville's precious water resources.

With questions about the report, or to request a printed copy contact Utilities Superintendent Linda Mullen at 952-895-4552 or linda.mullen@burnsvillemn.gov
