COMPOST PUMPKINS AT EAGAN COMMUNITY CENTER NOV. 3

Free Pumpkin Drop-Off Courtesy of Dakota Valley Recycling

After Halloween has come and gone, don't be haunted by what to do with the old pumpkins! Instead of throwing Mr. Jack-o-Lantern in the trash, residents of Burnsville, Eagan, Apple Valley and Lakeville can drop off their pumpkins during a free, one-day-only compost collection event.

What: Pumpkin Composting
Where: Eagan Community Center (southwest parking lot)
1501 Central Parkway, Eagan
When: Saturday, Nov. 3 | 9 a.m. to 1 p.m.
Cost: FREE

Bring your own pumpkin, or fill up a trunk full from the whole neighborhood. Free prizes awarded to all participants!

All candle wax must be removed and painted pumpkins will not be accepted. Pumpkins brought to this drop-off event will be hauled to the Shakopee Mdewakanton Sioux Community Organics Recycling Facility.

This event is coordinated by Dakota Valley Recycling (cities of Eagan, Burnsville, Apple Valley and Lakeville.)
