# City Concludes Celebration 50 Years in the Making

2014 Marked Burnsville's 50th Anniversary as an Incorporated City

The candles are blown out, the wishes have been made and it's time to clean up the confetti. However, that wasn't the case in 2014, when Burnsville celebrated its "50th birthday" as an incorporated City. Throughout the year, the City paid homage to its beginnings – and celebrated its growth from farmland to thriving suburb.

## Life in 1964

1964 was a memorable year – not just for Burnsville, but for the entire country. Muhammad Ali (Cassius Clay) won his first world heavyweight championship, Peggy Fleming won the U.S. Female Figure Skating Championship and Minnesota Viking Jim Marshall made history when his "Wrong Way Run" became the NFL's No. 1 blooper. (In his defense, the play resulted in a safety and two points for the Vikings, who won the game.)

Music from the Beatles filled the airwaves; television audiences were introduced to "The Addams Family;" and

movie audiences were captivated with Walt Disney's release of "Mary Poppins."

The Vietnam War was raging; the U.S. was mourning the loss of President John F. Kennedy and the Civil Rights Act of 1964 passed by a wide margin.

If that wasn't enough, at home in Burnsville, residents were waging their own fight in the courtrooms – the "Battle for Black Dog" – to block an annexation attempt from the City of Bloomington. As a result, on June 18, 1964, Burnsville officially became an incorporated City. While the community's history goes back much further, the year proved to be a starting point for what Burnsville is today.

## A Look Back

To commemorate its 50th Anniversary, the City of Burnsville worked on a number of 50th-themed events throughout the year. Relive the events – and maybe see something you missed – in the photos below.

For more information, photos and videos on the events and Burnsville's history visit [www.burnsville.org/50](http://www.burnsville.org/50).

The Burnsville Police Department celebrated 50 years with a special event at the Ames Center where officers reaffirmed their oath and dedication to the police force

Six commemorative postcards featuring merged pictures of Burnsville "then and now" were released and distributed at community events

A "Birthday Bash" was held (cake and all) during the Fire Muster celebration

The City released "How Burnsville Became a City," a video that tells the story of Burnsville's beginnings

The City coordinated a "50 Years in 50 Days" social media campaign that included daily posts highlighting interesting facts about Burnsville. Each day represented a year in Burnsville's history

The history of City government was celebrated as Burnsville's past and present Mayors, City Council Members and City Managers came together during the Burnsville Fire Muster

# Welcome Home. We're Glad You're Here.

On behalf of your neighbors, community members, local businesses and organizations, we'd like to welcome you to Burnsville.

Whether you've called Burnsville home for days or decades – just stopped by to visit our many shops, restaurants or entertainment venues – or are on your way to or from work – you can count on one thing, we're glad you're here!

On the heels of Burnsville's 50th Anniversary as an incorporated City (1964-2014), it's now more evident than ever how far we've come from our roots as a rural, farming town of the early 1900s.

Today, Burnsville boasts nearly 2,700 businesses (many in the areas of science, technology, healthcare, engineering and math); hundreds of shops and restaurants (including the 1.2 million-square-foot Burnsville Center); more than 75 parks and miles of open spaces; a 1,000-seat regional theater – the Ames Center – that draws acts and attendees from far and wide; and many more amenities than you can imagine.

Our neighborhoods are friendly and safe – and ideal for young professionals, growing families and active seniors.

Our City also values partnerships with residents, private businesses and other government agencies

to help keep taxes low and continue to provide unparalleled service to the 60,000-plus people who call Burnsville home.

We continue to be proud of Burnsville's commitment to quality, making our community a truly desirable place to live and do business, and we look forward to providing an exemplary experience for years to come.

From our families to yours, "Welcome to Burnsville, We're Glad You're Here!"

Sincerely,

Burnsville Mayor Elizabeth Kautz  
Council Member Bill Coughlin  
Council Member Dan Kealey  
Council Member Suzanne Nguyen  
Council Member Mary Sherry

# A Message from The Burnsville Historical Society

To say that Burnsville's history is "dynamic" is an understatement. In 1950, the population was under 600 – now it's over 60,000. This explosive growth (and the transition from farms to a fully-built city) came primarily with the arrival of Interstate 35W in 1962. The events set in motion by that one not-so-little road are still stimulating the community.

However, growth didn't happen by accident. Plans, dreams, failures, re-starts, arguments, tragedies, cooperation, volunteerism, laughter and hard work all had a part. It is the mission of the Burnsville Historical Society to "remind" people about the things that happened. We collect the stories – and the photos and mementos that go with them.

Who were the first people to call Burnsville home? When and why did they come? How did they live? What became of them? What can we learn from them? Those are the questions that we try to answer.

If you are curious about these and other questions related to Burnsville's past, we could use your help. Consider volunteering with the Burnsville Historical Society. Meetings are held each month during the school year. We also present an annual public exhibit at the Ames Center. And of course, we love to share stories!

## Did You Know. . .?

- Burnsville became an official Town in 1858, five years after religious services began, and one year after a school district was started.
- Should we be "Byrnesville" rather than Burnsville? William Byrne arrived around 1855, and had several sons who seemed to use various spellings of the original name.
- We very nearly became part of Bloomington. An annexation attempt was fought all the way to the State Supreme Court, and moved Burnsville Township to become the Village of Burnsville in 1964 to protect itself from further takeover efforts.
- Burnsville had a drawbridge across the Minnesota River, our first bridge built in 1920. Until then, people had to travel west to Savage or east to the Cedar Avenue Bridge. During World War II, this bridge opened to allow passage of 23 U.S. Navy tankers and five Navy tugs – which traveled all the way to New Orleans to begin ocean service.

# A Commitment to Service

In Burnsville, residents elect a Mayor and four at-large City Council Members – all with equal voting authority.

The Mayor and City Council are responsible for making the policy and legislative decisions that govern Burnsville, while relying on a City Manager and staff to handle the administrative and day-to-day operations.

If the City were a business, the City Council would be its board of directors, and the City Manager its CEO. This form of government is referred to as “Statutory Plan B.”

To set a framework for their policy decisions, the Mayor and City Council work within eight “Ends & Outcomes” that represent the ideals important to the people who live, work and play in Burnsville. They are:

- Safety
- Community Enrichment
- Neighborhoods
- Development/Redevelopment
- Environment
- Transportation
- City Services
- Financial Management

## When does the City Council meet?

**Regular City Council meetings** are held at **6:30 p.m. on the first and third Tuesdays after the first Monday** of each month. These meetings, open to the public, take place in the Council Chambers at City Hall.

**City Council Work Sessions** are held at **6:30 p.m. on the second Tuesday after the first Monday** of each month at City Hall. The public is also welcome to attend these meetings.

All City Council Meetings must adjourn no later than 11:30 p.m.

## What is discussed at a meeting?

The agenda is the official guide for City Council and other City meetings. Prepared by staff weeks in advance, the agenda lists all of the items to be considered at a given meeting.

Items are usually placed on the agenda at the request of the City Council or staff members. Community members who would like the Council to review a particular item should send a formal written request to:

Burnsville City Hall  
c/o City Clerk’s Office  
100 Civic Center Parkway  
Burnsville, Minn. 55337

The City Clerk will review the item and notify the individual or group of any pending Council action or follow up.

Agendas are posted in the lobby of City Hall prior to Council meetings and are also available online at [www.burnsville.org/meetings](http://www.burnsville.org/meetings).

## What if I want to comment at a meeting?

Certain items heard by the City Council will include a **Public Hearing**. These hearings provide an opportunity for any resident to present his or her position on that specific issue.

The Council also provides an opportunity for comment on items of public interest at each of its meetings. A **Citizen Comments** period is held to provide individuals an opportunity to speak on an item that is not on a current or upcoming Council agenda – and that is not currently in the application process. The Council

reserves ten minutes for comments, and no Council action will be taken. If the item is of public interest, the Council may choose to thoroughly study it before taking action.

The City Council welcomes the public to attend any and all City Council meetings, work sessions and public hearings to express their opinion.

### What if I can't make it to a meeting?

All of Burnsville's City Council and commission meetings are cablecast live and replayed on Burnsville Civic Channel 16 (for cable subscribers) and streamed online at [www.burnsville.org/meetings](http://www.burnsville.org/meetings).

### How do I stay informed about meetings?

Anyone wishing to be notified by email or text message when new City Council Agendas or Minutes are available may sign up for alerts at [www.burnsville.org/subscribe](http://www.burnsville.org/subscribe).

## Boards and Commissions

Boards and commissions advise the City Council on policy issues. All meetings are open to the public, and agendas are posted in the City Hall lobby and online. All meetings are held in the Burnsville City Council Chambers. Burnsville is currently advised by the following boards and commissions:

### Planning Commission

Researches, reviews and makes recommendations on issues related to land use and development. Meetings are held at **6:30 p.m. on the second and fourth Monday of the month.**

### Economic Development Commission

Advises on business-related items that help expand the tax base and increase job opportunities. Meetings are held at **6:30 p.m. on the second Wednesday of January, March, May, July, September and November.**

### Parks and Natural Resources Commission (PNRC)

Advises on issues related to parks, recreation and open space needs of the community as well as the protection of natural resources. Meetings are held at **6:30 p.m. on the first Monday of the month.**

### Ames Center Advisory Commission

Researches, reviews and makes recommendations on issues related to the Ames Center. Meetings are held at **6:30 p.m. on the fourth Wednesday of January, April and July, and the second Wednesday of October.**

Residents and businesspeople wishing to serve on a board or commission can apply by contacting the City Clerk at 952-895-4490 or by visiting [www.burnsville.org/commissions](http://www.burnsville.org/commissions).

# Homes and Neighborhoods

Residents in Burnsville place a high priority on their neighborhoods and value of their homes and property. To help keep the City in tip-top shape, please be aware of the following items.

## Property Maintenance

Burnsville property maintenance inspectors work both proactively and reactively to address property maintenance issues that can be unsafe, unsanitary or detrimental to homes and neighborhoods. Inspectors then work with residents to bring the issues into compliance as quickly as possible.

Common issues include:

- Unmowed lawns (greater than eight inches)
- Broken windows or doors
- Stalled or improperly parked vehicles and trailers
- Accumulating rubbish
- Unscreened trash containers
- Poor maintenance of home exteriors, roofs, sheds and fences
- Improper exterior storage
- Overnight street parking
- Pet nuisances

[www.burnsville.org/property](http://www.burnsville.org/property) • 952-895-4444

## Rental Licensing and Inspections

To ensure that landlords are meeting the quality-of-life needs of their tenants and neighboring residents, Burnsville requires that all rental property owners (of both single- and multi-family dwellings) pay an annual fee to be licensed as a rental business. This “user fee” covers the costs of proactive rental inspections that help keep rental properties clean and safe.

[www.burnsville.org/rental](http://www.burnsville.org/rental) • 952-895-4444

## On-Street Parking

On-street parking is **prohibited year-round in Burnsville between 2 and 6 a.m.** Parking exemptions can be requested for limited occasions.

[www.burnsville.org/request](http://www.burnsville.org/request)

## Address Your Address

Residents are asked that their house numbers be reflective and visible from the street both day and night to ensure emergency responders can locate the home during a time of need.

[www.burnsville.org/address](http://www.burnsville.org/address)

Notice a streetlight that's out? Are potholes a nuisance? Submit requests for City service at [www.burnsville.org/request](http://www.burnsville.org/request).

# Permits and Rebates

## Building Permits

Building permits are needed to make sure that any new construction or remodel meets minimum construction and safety standards. A building permit must be obtained any time a building or structure is built, enlarged, altered, repaired, moved, converted or demolished.

Residents and contractors can apply for or download many permits online at [www.burnsville.org/permits](http://www.burnsville.org/permits).

## Home Remodeling Grants

Dakota County offers home remodeling and rehabilitation grants to residents who need financial help repairing their homes to meet City code. Applicants must meet Dakota County and Housing and Urban Development (HUD) guidelines for low to moderate income to qualify.

[www.dakotacda.org/homeowners.htm](http://www.dakotacda.org/homeowners.htm) • 651-675-4469

## Home Addition Rebate

The City of Burnsville offers a full rebate of building and plan review fees for home addition projects that increase the value of the home in Burnsville.

[www.burnsville.org/permitrebate](http://www.burnsville.org/permitrebate)

## Do-It-Yourself Community Education Credit

The City also provides a credit on any residential building permit fee with a receipt from a related Community Education class ([www.communityed191.org](http://www.communityed191.org)).

[www.burnsville.org/permitrebate](http://www.burnsville.org/permitrebate)

## Garbage and Recycling

**Garbage/Recycling Haulers:** Burnsville licenses several private companies to collect garbage and recycling for residents. Residents can choose from a list of licensed haulers at [www.burnsville.org/waste](http://www.burnsville.org/waste).

**The Recycling Zone:** The Recycling Zone is the place for residents to get rid of items they can't throw in the trash – including fluorescent light bulbs, cleaning supplies and other household waste. The Recycling Zone is located at:

3365 Dodd Road, Eagan, Minn.  
651-905-4520

**Other Recycling Services:** The City's recycling department is shared between the cities of Burnsville, Eagan and Apple Valley – and goes by the name Dakota Valley Recycling.

For more information on recycling, household hazardous waste drop off, yard waste, transfer stations and landfills visit [www.DakotaValleyRecycling.org](http://www.DakotaValleyRecycling.org).

# More Helpful Information

## When Can I Water?

### Odd-Even Lawn Watering

The City of Burnsville has an odd-even lawn and garden watering policy:

- No watering is allowed between 11 a.m. and 3 p.m. on any day.
- Homes with **even-numbered addresses** may water their lawns before 11 a.m. or after 3 p.m. on **even-numbered calendar dates**.
- Homes with **odd-numbered addresses** may water their lawns before 11 a.m. or after 3 p.m. on **odd-numbered calendar dates**.

For example, the family living at 12600 Nicollet Ave. can water their lawn on July 2, 4, 6, and so on. The family living on 13713 Frontier Court can water on July 3, 5, 7, etc. If there are 31 days in a month, both even and odd addresses can water on the 31st.

Residents with newly seeded lawns or new sod and landscaping are exempt from the odd/even restrictions, but should contact the City's Public Works Department at 952-895-4550 to be placed on a 20-day exemption list.

## Traffic & Transit

**Busses:** Both Metro Transit ([www.metrotransit.org](http://www.metrotransit.org)) and the Minnesota Valley Transit Authority ([www.mvta.com](http://www.mvta.com)) operate bus service and numerous routes in Burnsville.

**Park & Ride:** Burnsville is home to two large Minnesota Valley Transit Authority Park & Ride locations:

- **Burnsville Transit Station**  
100 East Highway 13  
Includes 1,300 parking spaces, indoor climate-controlled waiting area and bus pass aisles.
- **Heart of the City Park & Ride**  
126th Street and Pillsbury Avenue  
Includes 370 parking spaces and indoor climate-controlled waiting area.

**City Streets:** Each year, Burnsville's City Council approves a number of street reconstruction/rehabilitation projects. These projects are prioritized based on age and condition of the roadway and replacement schedules for underground utilities.

For information on street construction projects or to sign up for updates visit [www.burnsville.org/streetrecon](http://www.burnsville.org/streetrecon).

## Happy Pets Equal Happy Neighbors

### Pet Licensing

Dogs, cats, and even domesticated ferrets over four-months old must be licensed every two years in Burnsville.

The City contracts with American Boarding Kennels (1102 Highway 13 E., Burnsville) for animal control issues. License applications are available at their location, at the Burnsville Police Department or online at [www.burnsville.org/pets](http://www.burnsville.org/pets).

### Pet Restraint/Nuisances

With the exception of the City's off-leash dog park, no animals are allowed to run "at large" in Burnsville. Cats and dogs must be kept on a leash or otherwise in the control of a human when not on the owner's property or other property by permission.

Frequent barking, crying, howling, fighting with other animals, damaging or leaving excrement on public or private property is not permitted.

For questions or more information on pet requirements, or to report a stray cat or dog, contact the Burnsville Animal Control office at 952-894-3647 or visit [www.burnsville.org/pets](http://www.burnsville.org/pets).

## Burnsville Fire Department

The Burnsville Fire Department is a full-time, career fire department that is committed to the preservation of life, safety and protection of property. The department provides firefighting, fire prevention and emergency medical services to the community.

Burnsville has two fire stations strategically located to provide a response anywhere in the city during a time of need. The two stations are staffed 24-hours-a-day by full-time, professional firefighter/paramedics. The 40-member department focuses on the areas of fire suppression, fire prevention, emergency medical services, training and administration.

The Burnsville Fire Department believes in engaging residents and businesses as partners in fire prevention, emergency preparedness and injury prevention.

## Get Involved in Public Safety!

### Community Emergency Response Team (CERT)

Through CERT, residents are taught by trained firefighter/paramedics to work together in their neighborhoods to provide basic safety during an emergency. The program teaches residents to safely help themselves, their family and their neighbors in the event of a local emergency or natural disaster. [www.burnsville.org/CERT](http://www.burnsville.org/CERT)

### Fire Department Open House

Every October during National Fire Prevention Week, the Burnsville Fire Department invites residents to take a look inside the City's fire station. Kids to adults can learn about fire engines, fire safety, fire prevention

and how the department works to keep you safe.

### Heart Restart CPR Training

Who will you save? Take advantage of one of the Fire Department's many CPR classes taught throughout the year. The Fire department has set a goal of training 6,000 people by the end of 2015. [www.burnsville.org/heartrestart](http://www.burnsville.org/heartrestart)

### Mobile Volunteer Network (MVN)

Members of MVN assist the Police and Fire departments with special events, disaster response and emergencies. Volunteers also have the opportunity to participate in ongoing, specialized training. [www.burnsville.org/MVN](http://www.burnsville.org/MVN)

# Burnsville Police Department

Formed in 1964, the Burnsville Police Department delivers a full range of police services to protect the lives and property of Burnsville's residents, business owners and visitors.

The Police Department, made up of 75 sworn officers and 19 civilian employees, uses a community-oriented policing philosophy, partnering with the community to problem solve and provide public safety services. Areas of the department include a traffic/patrol unit, investigative unit, emergency management, community resources office, two K-9s and a number of other highly and specially trained officers.

The Police Department also has a strong commitment to Burnsville schools, making connections with staff and students through "BLUE in the School."
