1964-2014

**Burnsville: Then and Now**

**Protecting and Serving the Community for 50 Years.**

*In 1964, Minneapolis Police Inspector Ed Farrell was hired as Burnsville's first Police Chief. In 1968, the police and fire departments combined into a "Public Safety Department." Public Safety Officers worked rotating shifts, and wore dark blue blazers, shirts, ties and French blue pants! Police and fire were once again separated in 1981.*
