Burnsville: Then and Now

The Many Faces of Village Hall.

Burnsville's original Town Hall was located on County Road 5 in the Ames Construction Building. In 1967, a new Village Hall (pictured on front) was built at 1313 E. Highway 13. Since the new City Hall and Police Station opened at 100 Civic Center Parkway in 1989, the location has been home to the Animal Humane Society, and now, Eden Baptist Church.
